

Dear Elevate Family,

We are excited to announce our **first fundraiser of the season**. We are calling this month NO ICE NOVEMBER! Here's what you need to know:

What's the Fundraiser?

We will be selling ICE SLICER brand de-icer! Ice Slicer is a salt that melts the ice on your driveway and sidewalk. It's better than typical salts because it has 60 minerals in it—like Iron, Calcium, and Potassium. Those minerals give Ice Slicer its red color and help Ice Slicer melt faster/last longer than white salt. It's safe around children and pets and it's made right here in Utah!

Print off the accompanying description sheet and sign-up sheet from the link below and start selling!

Why Should I Participate in This Fundraiser?

This is a very popular and successful fundraiser. Participants can earn money that goes directly towards paying off club fees.

How Much Can I Earn by Participating in This fundraiser?

Ice Slicer bags come in two sizes: a 10 lb bag and a 50 lb bag. The 10 lb bag costs \$6 each and we can sell those for \$12. The 50 lb bag costs \$10 each and we can sell those for \$20. That's 50% profit. **All proceeds will go towards paying off your club fees.**

When Is the Fundraiser?

This Fundraiser will go from **Saturday, November 13th, to Saturday, November 27th**. Sell as many bags as you can during that time.

Saturday, December 4th is when you would pick up the bags of salt you've sold and deliver them to your customers.

Pick up from 10-11am at this address: Best Vinyl, 525 S 850 E, Lehi, UT 84043

When Do I Submit My Earnings?

Submit all monies collected by Monday, November 29th, to Isa, through Venmo: @elevatevbc. Venmo payments should include the subject line, "No Ice November Fundraiser" and the name of the athlete submitting the order form. **Please attach a photo of your order forms in an email to Nina Bingham at ninabingham@gmail.com. *Proceeds from the "No Ice November" fundraiser will be credited to your last monthly payment.***
